

Banda Aceh, 2017

Dear Sir/Madam,

The e-Padi.com is Indonesia's leading hosting company.

We provide a diverse range of hosting services including shared hosting server, email hosting, CMS hosting, domain name, VPS, dedicated server, co-location, and digital solutions for personal or corporate needed at low-cost than the other companies.

Email hosting is a hosting server service to separate between website server with email server, this service is very appropriate to use in companies, personal, and government agencies that have huge email activity and big storage capacity require. Email hosting is important to enhance business image and branding because it no longer uses free email like Gmail, Live, Hotmail, and more.

In this opportunity, we would like to offer you some of the best products as follows:
